

An aerial photograph of a tropical island. The island is covered in dense green vegetation, including many palm trees. Several modern villas with large glass windows and flat roofs are scattered across the island. Each villa has a private swimming pool. The villas are situated near a white sandy beach that curves along the edge of the island. The water is a clear, vibrant blue, and the sky is a deep blue with some light clouds. In the distance, other islands and mountains are visible on the horizon.
